A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

Section 5. A copy of this determination shall be promptly mailed to any employer, and to any association of employers and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

Section 6. A certified copy of this Ordinance shall be promptly filed in the office of the Secretary of State Index Division.

Section 7. This Ordinance shall be published in the Southern Illinoisan, a newspaper of general circulation in the District and such publication shall constitute notice that the determination is effective and that this is the determination of the Board of Trustees of the Lakeside Water District.

Section 8. All ordinances and parts thereof in conflict herewith are expressly repealed and are of no other force and effect.

Section 9. The repeal of any ordinance by this Ordinance shall not affect any rights accrued or liability incurred under said repealed ordinance to the effective date hereof. The provisions of this Ordinance, insofar as they are the same or substantially the same as those of any prior ordinance, shall be construed as a continuation of said prior ordinance.

Section 10. It is the intention of the Board of Trustees of the Lakeside Water District that this Ordinance and every provision thereof shall be considered separable, and the invalidity of any section, clause, or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance.

*** PLEASE SEE ATTACHED FOR OVERTIME SPECIFICATIONS NOT LISTED.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.
